

Careers at UNICC

Join UNICC to help shape the future of technology, for a better world.

At UNICC we believe that **technology can change the world** for the better. Our mission is to empower people and UN organizations with innovative technology solutions that drive positive social impact and advance the agenda of the Sustainable Development Goals.

We are committed to creating a work environment that supports our employees in achieving their personal and professional goals, while also contributing to our shared purpose.

Why work with UNICC

Have a real impact on delivering innovative, sustainable, and cutting-edge technology solutions to the United Nations system and other multilateral organizations. As a member of our team, you'll have the opportunity to work with advanced technology and collaborate with some of the brightest minds in the industry to deliver solutions that drive meaningful change. You'll be empowered to bring your best ideas to the table and contribute to projects that make a real impact.

Have a global career with global reach and development opportunities through ongoing training, mentoring, and coaching. As a global organization with operations in multiple countries, we offer our employees the opportunity to work and thrive in a dynamic, multicultural environment. Our commitment to providing meaningful and challenging work, coupled with our dedication to employee development and growth, ensures that our employees can build rewarding careers that span the globe.

Have the opportunity to work with a truly diverse workforce.

At UNICC, we believe in creating an inclusive and diverse workplace where every employee feels valued, respected, and supported. We believe that diversity of thought, perspective, and experience drives innovation and creativity, and that our differences make us stronger as a team. We are committed to recruiting, hiring, promoting, and retaining employees from diverse backgrounds and perspectives, regardless of race, ethnicity, gender, age, sexual orientation, religion, or any other aspect of diversity.

Enjoy a comprehensive benefits package that includes competitive salaries, generous paid time off, flexible scheduling options, family support including child education and programs designed to support physical, mental, and emotional well-being. Please follow the links to know more about the benefits of working with UNICC as a [General Service Staff](#), a [Professional Staff](#) or as an [Intern](#).

Contribute to removing barriers to women in technology.

Play a key role in bridging the gender gap in the digital sector by actively working to eliminate obstacles that prevent women from pursuing technical roles and helping to reduce digital exclusion.

Paid Internship at UNICC

At UNICC we believe that **technology can change the world** for the better. Our mission is to empower people and UN organizations with innovative technology solutions that drive positive social impact and advance the agenda of the Sustainable Development Goals.

We are committed to creating a work environment that supports young talent in achieving their personal and professional goals, while also contributing to our shared purpose.
